

### Next Week

On March 2nd, Governor Scott announced that school staff would be eligible for the COVID19 vaccinations. Next week, on Monday and Tuesday, approximately 35 JFK staff members will be getting the second COVID-19 vaccine, with the possibility of experiencing moderate to severe side effects. This will impact 1/3 of our staff and will create severe staffing shortages. Because of this shortage, our leadership team has made the decision that all students in Kindergarten through 5th grade will move to a fully remote learning schedule on Monday, April 5 through Wednesday, April 7.

Tuesday, April 6th, are parent teacher conferences. All conferences will take place over Zoom. Moving to a fully remote learning schedule on Monday, April 5 through Wednesday, April 7 will not affect conferences. By now you should have received a conference confirmation from your student's classroom teacher. If you need to change your conference time, please contact the teacher directly.

At conferences, teachers will ask you if you have filled out the Family Survey. The survey is attached to this newsletter. You can complete it in written form and send it into school with your student. You can also fill out the form electronically via the link on the JFK Facebook page, or the link below:

<https://forms.gle/TpfaBiWW3rutNXGa9>

### Capital Improvement Moves

We have begun moves within the buildings due to the capital improvement project. Starting today, Cathy Bray is now in Room 1 by the JFK entrance. This means that Starting Friday, April 2nd, all visitors and students arriving after 9 am will need to enter the building through the JFK entrance. The main entrance will continue to be used between 8-9 am for all those accessing the building Monday through Friday.

### Summer School

JFK will be running Summer School during the month of July this summer. Summer School will run for all incoming K-5 students Mondays 8am - 2:30pm, Tuesdays 8am - 12pm, Wednesdays 8am - 2:30 pm, and Thursdays 8am - 12:30pm during the weeks of July 5th, July 12th, July 19th, and July 26th. We are currently working with community partners to develop project based learning for students. This means that students will be off campus on Mondays and Wednesday for place based, outdoor learning experiences. This opportunity is going to make summer school fantastic and engaging for our students. If you are interested in your student attending summer school, please talk to your student's classroom teacher during conferences.

### Calendar/Upcoming Events

#### Monday, April 5, 2021

All students remote learning

#### Tuesday, April 6, 2021
