## Staff Appreciation Week

This past week was staff appreciation week. The WSD PTO did an AMAZING job recognizing our staff each day. Thank you!

## Evacuation Drill

Each school is required to complete a drill each month. On May 5th, WSD conducted an evacuation drill. For half of our school, students were in a new space because of the April moves. The JFK students did a fantastic job!

## SBAC

Each year, public schools are required to participate in school wide testing. Starting next week, JFK will begin our SBAC testing. Our 3rd, 4th, and 5th graders participate in both literacy and math SBAC testing. Our 5th graders also participate in science SBAC testing. Here is our SCAB testing schedule:

[JFK SBAC Test Schedule](#) (test indicated is for grades 3, 4, and 5 unless otherwise noted)

**Monday, May 9th** - Math CAT Test (90 minutes)

**Tuesday, May 10th** - ELA CAT Test (90 minutes)

It is very important that your student(s) are in school, on time on the days they have SBAC testing. We want to make sure everyone comes to school well rested, and gets to eat a great school breakfast before testing begins.

For more information about SBAC, please go the [Parents' Guide to Assessment in Vermont](#). Feel free to reach out to your student's teacher directly with any class or students specific questions.
