George Street

WSD has a parking lot off George Street. This parking lot is bigger than it used to be and is an option for people to park in.

The George Street parking lot is NOT a place for people to drop off or pick up students. Turning around in the parking lot during morning drop-off or afternoon dismissal can create challenges as students walk through the parking lot to walk home.

If you are driving to drop off or pick up your student(s), please come in and out through the Normand Street entrances to ensure everyone's safety.

All School Celebration

So far, the amazing students at JFK have filled our temporary HEART Monitor twice and are almost done filling it a third time!

Students earn HEART tokens for following the school-wide expectations of being Honest, Engaged, Appropriate, responsible, and Timely. Students add their HEART tokens to the class HEART jar. Once their class jar is full, students get to choose a class celebration.

On Tuesdays and Thursdays at 8:45, the entire school gathers to cheer for classes as they add their class jar of HEARTs to the school Heart Monitor. Once the Heart Monitor is full, there is an all-school celebration. Each grade level plans an all-school celebration at some point during the school year.

Some class and/or all-school celebrations may be extra recess, comfy clothes day, Bingo, dance party, lunch in the classroom, board games party, favorite clothes day, stuffed animal day, or lego time.

These are just some of the ideas our amazing students and teachers have come up with so far.

Walk to School

On Wednesday, October 12, 2022, JFK participated in our annual Walk To School. It was an amazing way to start the day! A large group of us walked up Main Street to school, led by the WMHS Band.

Thank you to everyone that joined us, and a huge thank you to Patrice Lumumba, our new WSD Wellness Coordinator, for organizing the event.
