The Main Lobby is Open!

The brand new WSD lobby is open! This last piece means that we are at the end of major construction for the capital project! The main lobby is where everyone will come into the building. The George Street and JFK door are exit-only doors now.

When you and/or your students come to school in the morning there are 2 lanes in the loop closest to the school. The inner lane (closest to the school) is for buses. The outer lane is for families dropping off students. Vehicles need to pull all the way forward and drop off when by the front entrance. Drivers must remain in their vehicles.

If you must exit your vehicle to assist your student, you need to park in the second loop or main lot in a designated parking space to then assist your student into the school or to meet pre-school.

At the end of the day, students will exit the building and get on the busses or stand with their adult and wait for someone to come to get them. If you are picking up your student, you need to park and walk to get them.

Remember, George Street is NEVER a drop-off or pick-up spot. The George Street parking lot is for staff only.

I want to thank everyone who worked so hard to get this project completed. There were a lot of pieces that had to be managed, and our staff, students, and families did a fantastic job being flexible. We now have a beautiful building that supports our students, staff, families, and community!

Winter Clothing

It definitely feels like winter is here! Please make sure to send your student(s) dressed for the weather every day. Students are outside for recess if the feels like temperature is 10 degrees or above.
