Move Up Day

Next Thursday, June 13th, JFK students will meet their teachers for next school year! At 9 am, students will be walked to their 2024-25 school year classroom, including the 5th graders over to the middle school. There they will meet their new classmates and teachers. The teachers plan special activities that allow students to get to know about each other and the adults. This annual event is a special part of the last day of school.

June All School Celebration

We are very excited for our 2024 All School Celebration! **Our All School Celebration will take place on Monday, June 10th.**

This year, students will be at JFK for half of the day and at Landry Park for half of the day. Students will be taking a bus to and from Landry Park. While at Landry Park, students will be playing games, swimming, and having time to eat a snack. While at JFK, students will have time in their classrooms, eat lunch, and watch a movie.

On the day of the celebration, please remember to send your student with:

- A full water bottle
- Put sunscreen on your student before school
- Put bug spray on your student before school
- Comfortable walking shoes
- A bathing suit (if they are going to the pool in the morning, having them wear their bathing suit to school makes it much easier for everyone!)
- Towel
- Sunhat
